

ONLINE ORDERING

Olsonphotography.com

-

Your families will need to create an account (this is a very quick and easy process), and then use an access code (located at the bottom of the page) that is designated for your league to place an online order.

Please post the access code on your website in addition to sending the code via email to your families. Orders should be placed prior to or on picture day. Orders that are placed after picture day will incur additional processing fees.

VERY IMPORTANT INSTRUCTIONS

(Please assist us by relaying this information to your parents)

The order number that is generated when an order is placed must be given to the photographer. Orders cannot be processed without an order number. Parents will receive an email and a text with their order number.

Each child must have a different order number. Parents ordering for multiple children must complete the checkout process for one child before starting an order for another child.

ACCESS CODE: RACHE
